PRESIDENTS' WELCOME

Dear Guests,

Welcome to the weird and wonderful world of absurdism! The Girton community have always been pioneers and we are proud to be the first ball back since 2020. This year's theme was devised in reaction to the difficulty of the two years since the 2020 Spring Ball. In trying to make sense of the world around us, the definition of 'normal' no longer exists. With this philosophy in mind, Girton has been transformed into a topsy-turvy world where left is right and up is down. As Camus said, "The realisation that life is absurd cannot be an end, but only a beginning...". Let's start as we mean to go on.

GENERAL INFORMATION

Entry

Enter the college through the arch and join either the queue jump or regular queue. You will need to present an ID, your ticket and Covid-19 certification. Amnes-ty bins are provided by the front entrance and we operate a zero tolerance drugs policy.

Fire

If you discover a fire, alert any member of staff immediately. Upon hearing a fire alarm, calmly and quickly follow instructions from Fire Stewards, Security Staff, Porters and Committee members, who will guide you to the nearest escape route.

Fire Assembly Points

The following assembly points should be used during emergency evacuation in the case of a fire or bomb threat: Main Driveway (via Archway), Hockey Pitches (via Woodlands Door), Front of College (via Campbell Court), and Orchard Drive (via Ash Court).

Quiet Space

The Chapel is open as a quiet chill-out space.

Security

All guests must wear their wristbands throughout the ball. These must be shown to staff upon request. Readmission is not permitted.

Cloakroom

Our cloakroom is open from 9pm-4:30am and is located in the Old JCR (see map).

Dietary Requirements

If you have any allergies or special dietary requirements, please speak to a member of staff and we will do our best to accommodate you.

Smoking Area

A smoking area is provided in Ash Court. Smoking will not be permitted in any other areas.

Photographs

The Survivors' photo will be taken at approximately 5:00am on the main driveway. College residents will be able to re-enter their rooms after this.

Covid-19 Policy

For entry to the Ball you will require one of the following:

1. NHS Covid pass showing proof of full vaccination.
2. Evidence of a negative PCR or Lateral Flow test taken no earlier than 5pm 17th March 2022. Lateral flow tests taken at home will need to be reported into the public reporting system <https://www.gov.uk/report-covid19-result> so they appear on your phone.
3. Proof of natural immunity shown by a positive PCR test result for Covid-19 lasting for 180 days from the date of the positive test and following completion of the self isolation period.
4. Evidence that you have a medical exemption for being tested for or vaccinated against Covid-19. (This should be submitted in advance, by Monday 14th March to covidtest@girton.cam.ac.uk).

ID Policy

Before admission to the Ball is allowed, ticket holders must present their valid ticket, along with photographic identification consistent with the name their ticket is booked under. The only acceptable forms of photographic identification are a driving license or any passport. Ticket holders without a valid ticket or piece of photographic identification will not be admitted to the Ball; University cards are not acceptable identification for admission to the Ball.

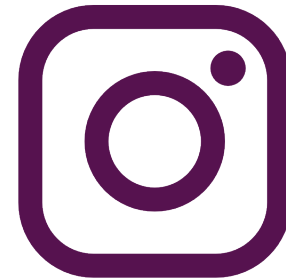

Disclaimer

The Girton Spring Ball Committee does not accept any liability for the property of guests. The committee reserves the right to refuse admission at its discretion and to alter details from those listed in the programme.
